Classic medium-bodied Pinot with delicate spice of pepper and dark fruit. Ready to drink and enjoy for light meats... plus if you are ever wanting to enjoy red wine with seafood, this primarily Pinot Noir does it. Blend 2 – 36 cases - Mendoza Malbec / Alex. Valley Cabernet # Cases _____ # Bottles _____

Alluring, medium-bodied round flavors that have hints of chocolate making this a red wine that can be consumed outside of a meal with creamy cheese like a Danish Havarti or Gouda. But, can be as easily enjoyed with a full meal... or all by itself - a truly superb pairing with great friends and great conversation.

Blend 3 – 28 cases - Alex./Suisun/Napa Cabernet / Mendo. Syrah # Cases _____ # Bottles _____

This is truly for a seasoned palate... this wine has a level of sophistication that can torture or titillate your palate as it is very, very dry and austere. Yet deep beneath its initial flavors there is a hidden layer of licorice that makes this wine have all the makings of a fine Bordeaux/Rhone-style red. Truly a red wine lover's wine.

Blend 4 – 22 cases - Plum ridge Cabernet Sauvignon* # Cases _____ # Bottles _____

(*NOTE: Blend #4 @ \$199/case). *Classic Hilltop Sonoma Cabernet... The palate has ripe depth with dark fruit flavor, well-integrated oak, and soft tannins. The long and flavorful finish provides a hint of black cherry fruit and subtle oak. Relax and enjoy with or without food... one of those contemplation inducing wines!*

Blend 5 – 38 cases - Italian Merlot / Mendocino Syrah # Cases _____ # Bottles _____

Great blend of the bright crisp style Merlot from the Veneto of Italy layered with the supple Syrah that gives length and fullness to give a full rich wine from start to finish. Tannins are very soft and supple. Great with Gruyere cheese and lean meats like veal or pork loin.

Blend 6 – 42 cases - Sierra Cab. / Contra Costa Zin. / Mendo. Syrah # Cases _____ # Bottles _____

A lusciously attractive cuvee' not at all heavy... and with a rich, elegant-mouth feel. Yet the flavors are enormously complex, suggesting wild blackberries from the Cabernet, black cherries from the Zinfandel, with a hint of savory supple chocolate notes that is the gift from the Syrah.

Blend 7 – 26 cases - Columbia Gorge Chardonnay / Viognier # Cases _____ # Bottles _____

This is cool climate Chardonnay at its best. This Chardonnay has been blended with the very floral Viognier that is fermented without the malolactic process which gives flavors of crisp red apple leading into light tropical fruit – citrus and pineapple. This wine is lush, with an underpinning of mineral and stone.

Blend 8 – 13 cases - Dry Creek Chardonnay / Viognier # Cases _____ # Bottles _____

This wine exemplifies the traditional Burgundian style Chardonnay. Very good minerality followed by the slight buttery finish which is the hallmark of great Chardonnay. Great with Salmon all the way to Halibut then Lobster dishes and will also stand up to the traditional Turkey and Ham fare coming up this holiday season.
