"Marketing Chomp is a great step by step guide to help any business owner take charge of their message and deliver it precisely to his/her audience. This book lays it out in simple terms and easy steps to help the reader develop and execute an exceptional marketing plan." Thom Farrell CEO in Engineered Critical Components Industry

"This is a clear-cut, understandable, well-defined, interactive workbook!" Dr. Bill & Debbie Hestrup

"The workbook will give business owners, team builders and managers, cutting-edge tools to compete in today's arena, while still offering food for thought for even the seasoned marketing professional."

Marjorie Stradinger, Marketing Professional
