Areas of Practice

The breadth of Richard Thies's practice mirrors the wide range of specialized legal services Webber & Thies provides to its clients. From the beginning of his practice, he has given personal advice and consultation to individual clients in areas such as financial planning, estates, trusts, wills and personal business affairs.

Professional Experience

Mr. Thies has represented and created sole proprietorships, partnerships and corporations, as well as not-for-profit and tax-exempt organizations and trusts. In the field of labor relations, he has negotiated labor management contracts, handled grievance hearings, NLRB representation cases and employment discrimination cases.

His litigation experience is extensive in the fields of complex commercial litigation, personal injury and family law. In the area of communications law, he has represented clients in libel and slander cases, and in cases involving first amendment issues. Mr. Thies has practiced extensively in the area of banking law, including formation of banks, bank purchases and sales, and other bank operation matters. He has represented clients in radio station purchases and sales, newspaper purchases and sales, and the day-to-day legal representation of newspapers and radio stations, as well as cable television entities.

In the field of real estate law, he has represented developers of a number of subdivisions, condominiums and shopping centers. He has practiced health care law, including the representation of research entities, medical practitioners and medical support service entities. His practice in environmental law matters includes underground and above ground storage tank cases, environmental surveys, and matters involving remedial action and clean-up. Internationally, he has negotiated in the Peoples Republic of China on behalf of American clients conducting business in China.
