

PRIMARY BENEFITS OF NUTRAMETRIX ISOTONIX ISOCHROME:

- Helps maintain healthy blood sugar levels
- Supports insulin activity
- Helps to maintain cardiovascular health
- Helps with energy and stamina
- Promotes muscle health and strength
- Helps in weight management

What Makes nutraMetrix Isotonix Isochrome Unique?

nutraMetrix Isotonix Isochrome is a distinctive combination of essential compounds that includes vitamins, minerals, amino acids, enzymes and Co-enzyme Q10. nutraMetrix Isotonix Isochrome provides nutrients that help support healthy blood sugar maintenance. The key ingredients included in nutraMetrix Isotonix Isochrome assist in the body’s production of energy. †

nutraMetrix Isotonix Isochrome provides a powerful dose of chromium, which has been shown to help maintain healthy blood sugar levels and healthy levels of blood cholesterol. Chromium also aids in supporting healthy metabolic rates and muscle performance. †

nutraMetrix Isotonix Isochrome is delivered in isotonic form which provides rapid absorption and superior delivery. nutraMetrix Isotonix Isochrome is best taken with a meal.

Who Should Use This Product?

nutraMetrix Isotonix Isochrome includes chromium, which is an essential mineral that is hard to get from your standard diet. For this reason, almost everyone can benefit from taking a chromium supplement. If you work out chromium can help promote the conversion of fat into muscle mass. If your diet is high in sugary foods and foods rich in complex carbohydrates, you should definitely think about taking a chromium supplement. Isochrome helps to enhance the body’s energy production and assists in fitness and weight management, which is useful for those who are following a weight-loss program. †

Additional benefits of nutraMetrix Isotonix Isochrome:

- ✓ **Gluten Free** – the finished product contains no detectable gluten
- ✓ **No Detectable GMOs** – the finished product contains no detectable genetically modified organism
- ✓ **Vegetarian** – nutraMetrix Isotonix Isochrome is a vegetarian product
- ✓ **Drinkable Supplements** – easy-to-swallow supplements in liquid form are immediately available to the body for absorption
