

*Everything you need from tents to teaspoons*

## **Gas Griddle**

We are pleased to provide to you quality equipment for an exceptional dining experience.

### **To Light the griddle:**

1. Attach LP tank securely to griddle hose.
2. SLOWLY turn handle on LP tank to open.
3. Lift griddle top and light pilot next to each burner
4. Turn blue knob on to turn each burner on.
5. Replace griddle top

### **To turn griddle off:**

1. Turn off LP tank. Let residual gas escape.
2. Turn off all blue knobs.

### **Griddle operating suggestions and cautions:**

- Always allow sufficient time to ensure that the griddle is up to the desired temperature before using.
- Never overheat the griddle, and always reduce the temperature during idle periods.
- Always clean griddle after use.
- For cleaning, griddle pads and griddle bricks may be used on the steel plates only.
- As a sanitary and safety precaution, always keep the grease drawer clean and empty.

You will be charged a replacement fee for items returned dirty, broken, damaged or lost.
