We are pleased to provide you quality equipment.

Instructions and Rules of the Game:

- Horseshoes is a game for 2-4 players.
- The goal of the game is to ring the pin, or throw the horseshoe as close to the pin as possible.
- Each player stands at their designated stake and throws two horseshoes (or one in the case of 4 players) at the other stake.
- If you get the horseshoe on the stake it is called a ringer and worth 3 points.
- If the players throw and no ringer is made, 1 point is awarded to the player whose shoe is closest to the stake, as long as it is within 6 inches away from the stake.
- Regulation games are played up to a winning score of 50, while informal games are played up to 21.
- Horseshoes pitching is played on a court 50 feet long and 10 feet wide. The stakes extend around 14 inches above the ground and are planted 40 feet apart.
