

Application

The Youth International application consists of three sections. Please make sure the application has been filled out completely before submitting. Feel free to attach extra pages if necessary. Completed applications should be mailed to Youth International using the information at the bottom of this page. After receiving your application, Youth International will be contacting you to set up a phone interview.

Thank you for your interest in Youth International!

SECTION I: CANDIDATE PROFILE

Name: _____

Address: _____

Telephone: (_____) _____ e-mail: _____

Date of Birth: _____

Program(s) and semester(s) you are applying for:

How did you find out about Youth International?

SECTION II: BACKGROUND

Educational Background:

Job Experience:

Hobbies and Interests:

SECTION III: QUESTIONS

1.) What are your main reasons for wanting to participate in this program?

2.) Please describe your experience working with teams/groups and why you think you would make a good team/group member.

3.) How would you fund your Youth International experience?

Please note that we will also be asking you for REFERENCES during a telephone interview. Your references should include people who have supervised you in an educational or professional environment and can give greater insight into your character and how well you might do in a Youth International environment. Please have the names and phone numbers of three references ready for your interview. Alternatively, you may also send us letters of reference by e-mail or regular mail.

Youth International looks forward to receiving your application!
